James A. Flaherty Wires Mgr. Bussell Alleged Trouble Maker Was Found Guilty.

The recent action of the supreme heard of directors of the Enights of Columbus in modifying their findings of October is. 1311. In respect to Dr. Emil L. Scharf, the editor of the Catholic News Agency.

"Scharf not exonerated from Johnson charge; found guilty and expelled." In reference to the matter, Mgr. Russell said:
"Scharf was convicted on accusation of Representative Johnson of pretending to sell Catholic votes. The Catholic and the country were indignant that such a man as Scharf, who represented nobody, should protend to sell Catholic votes for money. No one in the country can with any truth pretend to control the Catholic vote. While Catholics are very sensitive to the interests of the church, as voters they are the mest independent people in the country."
